

### Compete Rankings

Compete has a diverse sample of 2,000,000+ U.S. Internet users that have given them permission to analyze the web pages they visit and ask them questions via surveys.

### Alexa Rankings

Alexa's traffic rankings are collected from diverse sources over a rolling 3 month period. A site's ranking is based on a combined measure of reach and pageviews. Pageviews are the total number of Alexa user URL requests for a site. A lower Alexa ranking indicates a more popular site.
